MORE INFO

Pool Pro MineralX is a unique formula blended with 100% naturally occurring minerals, designed to enrich your pool water for a soothing and luxurious swimming experience. Relax and enjoy the wellness benefits of MineralX while maintaining the balance of your pool water chemistry, without the need for adding pool salt.

- ◆ Magnesium enriched mineral blend
- ◆ Aids in soft, silky, crystal clear water
- ◆ Skin and hair feels moisturised and soft
- ◆ Great for bathers with sensitive skin

Pool Pro MineralX is a complete mineral blend designed to maintain your salt levels on its own - no additional salt needs to be added to the pool when using this product.

For optimal results, Pool Pro recommends using MineralX with a complete Neptune/Pool Pro system (pump, filter and chlorinator), operating at an optimal TDS of 3,000-3,500ppm (or 1,500ppm for the Pool Pro MineralX ultra low salt chlorinator).

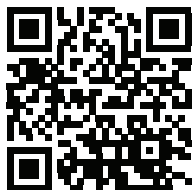

This product can also be used with other branded systems. Please check the TDS requirements of your individual system.
